GET INVOLVED VOLUNTEER LOCALLY

The local Democratic committee is reaching out to Democratic voters to encourage them to vote on November 8. As part of this effort, the committee is looking for volunteers to

reach out to fifty Democrats that live in their neighborhood and invite them to an upcoming civic engagement. You can call the

voters up, send them a text message, invite them by postal mail, email them an invitation, or drop off invitations at their house. This should take no more than 30 minutes to an hour and can be done using whatever method you feel comfortable with. This is a great way to get involved and make sure that all the Democrats win in November.
